

Business Document Management and Accounting

Hassle Free Bookkeeping Process

Online Bookkeeping Service

Advantages

1. Standardized, accurate and timely reports
2. Cost effective and convenient bookkeeping service
3. Supportive and friendly staff

How it works

SCAN – You scan all business documents and upload it to Sidomac
OR have us pick up the documents and scan it for you.

INDEX – We index the documents and upload to Sidomac

REPORTS – We do your books in Sidomac or in Quickbooks, Simply Accounting or any other software

SUPPORT – We explain your reports, and work with you either using online collaboration, or meet face-to-face.
