Online Bookkeeping Services

How it works

SCAN & SEND – Forward emails, scan, efax, or use your phone camera to send in your documents – bills, receipts, deposit slips to your secure DocSnaps account.

AUTO-TRANSACTIONS & ONLINE ACCOUNTING – All documents are indexed, transactions and reports are created. Chat and exchange information in DocSnaps with accountant, view reports, and submit forms.

DOWNLOAD – View documents and drill-down reports securely online. Export transactions to Quickbooks, Simply Accounting, Caseware or Excel.

What is DocSnaps?

DocSnaps is an online application with the following services:

- Secure login to access scanned and indexed documents
- Automatically create transactions
- Upload bank data for auto-bank reconciliation
- Export to Quickbooks, Simply Accounting, Caseware and others
